## IQUA Bluetooth® Wireless Stereo Headset BHS-702

The IQUA Pendant makes wireless communication easy and elegant! In addition to its comfort and excellent sound quality, the BHS-702's trendy design and colors gives you the freedom you need for a modern and stylish lifestyle.

Enjoy the easy call management of this trendy stereo headset: music fades when a call comes in, and you decide whether to answer or reject the call by simply pressing one button! When ending the call, the music automatically resumes from where you left off—and the best part is, you don't even have to touch your mobile phone!

You can easily modify the earpieces for added comfort with its adjustable cable and conveniently carry the headset with you when not in use.

The IQUA Pendant lets you maintain complete control of your calls while still keeping your sense of style and class.
