

Iqua CLIP3 – BHS-313 Bluetooth® Wired Headset

Discover just how easy it is to keep in touch while on the move with the small and stylish Iqua CLIP3. Just clip this handy, pocket-sized wired headset to your shirt, pocket or purse strap, pair it via Bluetooth with your mobile phone and enjoy crystal-clear handsfree calls – wherever, whenever.

With the comfortable in-ear ear buds, as well as a multifunctional call key for answering, ending or rejecting calls, the Iqua CLIP3 makes it easy to manage your calls without ever having to reach for your phone.

Key Features

- Multipoint – connect two phones/devices at the same time
- Power on/off
- Answer/end/reject call
- Volume control
- Last number redial
- Automatic reconnection at power on and disconnect at power off
