

Iqua miniUFO2 PHF-311 Portable Bluetooth Handsfree

The Iqua miniUFO2 is a compact handsfree device that will keep you connected and in touch throughout the day. With support for dual pairing, the Iqua miniUFO2 gives you the freedom to keep two phones simultaneously connected, eliminating the need to disconnect and reconnect when switching between mobile phones. The mounting accessories also enable you to easily mount the Iqua miniUFO2 on a range of different surfaces: your sun visor or car dashboard, your office desk, or a table at home.

Emphasizing style and functionality, the Iqua miniUFO2 is available in your choice of different colors, and also features dedicated call keys and voice-dialing support for managing your calls in a variety of ways. And with up to 10 hours of talk time, 450 hours of standby time, and support for VoIP calls, the Iqua miniUFO2 is an ideal choice for handsfree connectivity while on the go.
